

# Excel *in* Giving

*But just as you excel in everything...see that  
you also excel in this grace of giving.*

2 Corinthians 8:7

*CEF wants to encourage best practices when it offers a service to congregations and ministries in the Michigan District. One of these best practices is the use of an electronic giving platform to gather offerings and other payments that your church or ministry collects.*

Over the past 5 years, more than \$50 Million has been generously given to churches and ministries through the ***Excel In Giving*** program. We want to see that number grow!

Apply to be a part of the ***Excel In Giving*** program and CEF will give your church or ministry \$250 to offset the cost of your electronic giving platform!

A simple application is required to be submitted to CEF by October 1 of each year to qualify for the payment.
