## INVESTMENT REBATE PROGRAM

# GET CASH BACK FOR YOUR CEF INVESTMENTS

Church Extension Fund wants to give your ministry an added reward for investing with us. CEF's Investment Rebate Program does just that! When your congregation and its members reach certain investment tiers, the cash rebate that your church receives will grow!

## How It Works

Eligible CEF loan customers in good standing receive **an annual** cash rebate when the congregation's total CEF investments meet one of three tiers. Each tier pays a higher percentage of the loan balance. So, the more your congregation invests with CEF, the bigger cash rebate you receive!

It's a win-win. Your investments earn a great rate of return – and your church gets cash back.

## To Illustrate ...

The CEF Investment Rebate Program can generate significant additional resources for your church. This can help you fund important ministry programs. Consider this example:

Say your church has a \$1,000,000 loan balance with CEF. Meanwhile, the total of your congregation's investments maintained at CEF has reached \$750,000. That's 75% of your loan balance—and it earns a 0.75% annual cash rebate.

So, your church receives a \$7,500 rebate check from CEF. Think of how your ministry can use this extra money to help spread the Gospel of Jesus Christ!

## Qualifiers

The total amount of your congregation's investments and member's investments with CEF must meet or exceed the investment tier to receive the rebate. Eligibility and participation will be determined when an existing loan refinances at the end of its current term. Terms and conditions apply
